

WORKSHOP

Fundamentals of Polysomnography & Sleep

3rd National Workshop

under the aegis of

Bangalore Sleep Forum, Indian Society for Sleep Research

20th to 22nd December 2018

Department of Neurophysiology, NIMHANS

This national workshop aims to introduce the fundamentals of polysomnography as well as concepts of sleep physiology in healthy and disease conditions.

The workshop will provide opportunities to attend two whole night polysomnography sessions as well as a nap study so that participants can familiarize themselves with the procedures. Detailed explanations will be provided on how to carry out scoring of sleep data. Finally, participants will be able to do scoring and check their understanding.

Intended Audience (Max. 30 participants)

Post-Graduate students in Physiology, Medicine

Research scholars (PhD or Post-doctoral) engaged in sleep research

Junior Faculty in related disciplines

Shared accommodation will be provided on request in the New Kabini hostel on campus at Rs. 300 per bed per night.

Last date to apply: **30th November 2018**

(Please don't wait till last date, it may get fully booked earlier)
