## IVRS based telephone Outpatient Services

NIMHANS is introducing the IVRS based telephone outpatient follow up services from 6<sup>th</sup> May 2020 for patients who have previously received treatment at NIMHANS.

Patients who have consulted previously with NIMHANS can dial this number.

**080 – 26991699**

After dialing, they can select the language and services option.

After a beep, enter the hospital number mentioned in the hospital card (may start with P or N), followed by # on the phone.

The hospital will contact the patient within the next 5 working days.

This service of seeking appointments will be available between **9 AM – 12 PM only on working days**, between Monday and Saturday.

Those without a hospital registration number will not be able to avail this service.
