

# Workshop on Peer reviewing skills for Scientific Journals

## What to expect from the workshop?

This workshop will be an excellent opportunity to learn the basics and principles of peer reviewing from experienced peer reviewers and editors of journals in mental health.

You will also be given the opportunity to review a paper which will be circulated in advance and discuss your review with experts.

The workshop will follow a collaborative and interactive approach

## Who is this training for?

It is open to Senior residents, Junior residents, M.Phil trainees, MSc students, PhD scholars in behavioral sciences and anyone else who is interested in becoming a peer reviewer.

You do not need any previous reviewer experience to attend.

**An e-certificate will be given to those who attend the Workshop**

## Resource persons:

Prof Chittaranjan Andrade
