NOTIFICATION

Applications are invited from the eligible candidates for filling up of the following post on **contract basis** for India Alliance – Wellcome DBT funded project titled “**Deciphering the molecular mechanisms of lithium response in patients with bipolar disorder**”– under Dr. Biju Viswanath, Associate Professor of Psychiatry & Principal Investigator.

Name of the Post	Project Scientist-I
No. of Post	One
Essential Qualification	Ph.D. in Life Science/Biotechnology/Clinical Neuroscience
Maximum Age Limit	40 Years
Essential Experience	At least 2 years of experience in cell culture
Desirable experience	At least 1 year of experience working with pluripotent stem cells
Salary	Rs.69,440/- (Consolidated) P.M
Duration	One year

#The appointment is contractual for a period of **one year**, with extension after revaluation.

Eligible candidates who are fulfilling the above criteria may send application by email giving details in their resume with age proof and name of two referees to **adbs.project@gmail.com**. The candidates, who apply, *should invariably mention the Notification No. and date in subject line in email.*

The applicants are requested to kindly ensure that they provide documentary support for all the essential criteria (i.e., essential educational qualification, age, as well as documents to support essential and desirable criteria). Applications with incomplete documentary support will not be considered. Last date for receipt of applications together with the relevant documents is **10th November 2021**. Applications received later will not be considered.
