

## Mood Disorders (Virtual) CME 2022

**11<sup>th</sup> MARCH 2022**

Dear Ma'am/Sir,

Greetings from NIMHANS, Bengaluru!

To commemorate World Bipolar Day 2022, the Department of Psychiatry, National Institute of Mental Health and Neuro Sciences (NIMHANS), is organizing a virtual Continuing Medical Education (CME) programme for Post Graduates in Psychiatry. The CME aims to provide Post Graduates an update on important clinical aspects of Mood Disorders.

We are delighted to inform you that this CME will be held on **11<sup>th</sup> March 2022 (virtual), 3.50 PM** onwards through online platform which will be displayed on the website. Delegates can get the updates of the CME and download the participation certificate from the website mentioned below.
