

Curriculum Vitae

Name:	M. Thomas Kishore
Designation	Additional Professor of Clinical Psychology
Current roles and responsibilities	Providing clinical services, teaching postgraduate trainees and residents; and conducting research in the area of child and adolescent mental health. Currently, consultant clinical psychologist in CAP Unit 2 and Perinatal Psychiatry Services.
Work experience	Currently working as Additional Professor of Clinical Psychology (since 01-07-2018), Associate Professor of Clinical Psychology (28-11-2014 to 30-06-2018) at NIMHANS, Bangalore, India; Reader/Associate Professor of Health Psychology (13-04-2011 to 27-11-2014) at the Centre for Health Psychology, University of Hyderabad, Hyderabad and Assistant Professor of Clinical Psychology (28-05-2003 to 12-04-2011) at NIPIED, Secunderabad, India.
Research & clinical interests	<ol style="list-style-type: none"> 1. Child and Adolescent Mental Health, Neurodevelopmental disorders 2. Early detection and intervention of child mental health problems 3. Infant Mental Health and school mental health 4. Psychodiagnostics in children 5. Family functioning, stress and coping related to childhood disorders
Awards and Achievements	<ul style="list-style-type: none"> • IASSIDD Membership Number: 1236 • Member, Rehabilitation Council of India (A 04689) • International Affiliate of APA (ID # 00969180) • Fellow of Indian Association of Clinical Psychologists (IACP) (F239/01/11) • Fellow of the Indian Association of Child and Adolescent Mental Health since 2015 (LF/K-026) • Life Associate Member of Indian Psychiatric Society (LAM/T02/18) • Section Editor, Indian Journal of Psychological Medicine (2018- till date) • Editor, Special Issue of the Journal of Intellectual Disabilities on Service Delivery Models for People with Intellectual Disabilities in Developing Countries, September 2017. • Reeta Peshawaria Fellowship 2014 for carrying out research in the area of autism • Conferred IACP Child and Adolescent Mental Health Award for the year 2014 by the Indian Association of Clinical Psychologists [during the 40th National Annual Conference of the Indian Association of Clinical Psychologists held at SRM University, Chennai, 28 February to 2 March 2014]. • SC Gupta Award for best paper presented in the Annual Conference of the Indian Association of Clinical Psychologists, 2003
Research projects	<ol style="list-style-type: none"> 1. Developmental progression of executive functioning, adaptive behaviour and pre-academic skills in preschool children with ADHD. Funded by NIMHANS [As Principal Investigator] 2. Reeta Peshawaria Fellowship for conducting research on autism, 204-15. [As Principal Investigator] 3. UPE-2 Interface Studies Project on 'Prevalence of depression in patients reporting cardiac, gastro-intestinal, pulmonary and skin problems: Implications for Health Policy'. [As Co-Investigator: Order No. UH/UGC/UPE Phase-2/Interface studies/ Research projects/R-67 dated 19/04/2012] 4. Trends in Intelligence Testing of Persons with Mental Retardation and its Implication for Certification of Disability and Service Provisions (2011,

- unpublished). Funded by the Indian Council of Social Sciences Research, New Delhi. [**As Principal Investigator**]
5. Identification of mental health problems in persons with mental retardation: Implications for service models and policies (2011, unpublished). Funded by the National Institute for the Mentally Handicapped, Secunderabad. [**As Principal Investigator**]
 6. Mountaineering Expedition by Persons with Intellectual Disability: Impact on Behavioral Problems and Temperament' has been completed for Partner Hooghly, a Parent Organization, West Bengal in the year 2007. A scientific paper based on this project has been published in the Journal of Intellectual Disabilities, 2008. [**As Principal Investigator**].

Projects ongoing

1. Developmental and behavioural outcomes of children born to mothers with severe postpartum mental illnesses: A longitudinal study in a Perinatal Psychiatry Clinic. [**ICMR funded study**]
2. Development of methods to assess and certify specific learning disabilities in students at secondary level and above. [**ICSSR funded study**]
