Message from the Director

It gives me great pleasure to share NIMHANS prospectus for the academic year 2022-23.

NIMHANS is a unique centre which combines the highest standards of clinical care, training and research and the Institute attracts trainees from different regions. Training from NIMHANS is something many aspire for and they continue to cherish the basic foundations they have received here throughout their lives, wherever they may be working. NIMHANS provides a rich academic environment and clinical exposure which fosters an ambient environment of learning. The Institute has 27 departments with dedicated faculty and skilled professionals in basic, behavioural and neurosciences. At any given point of time, there are nearly 500 students enrolled in different courses, and about 200 Ph.D. scholars pursuing their highest academic degree in the Institute. Apart from providing quality care for the patients, human resource development in mental, behavioural and neurological areas has been a major focus of the Institute. NIMHANS has been rated among the top five medical institutes in the country in NIRF rankings for the second consecutive year (2020 and 2021).

NIMHANS is a leading postgraduate centre of excellence, offering more than 50 specialised courses. At the Institute, research occurs in a seamless manner, from the bench to the bedside and from the bedside to the community. During the year 2021-22, several external research projects were undertaken and over 900 scientific/research articles published in reputed international and national journals by the faculty, students and project staff of the Institute.

The training provided at NIMHANS is exemplary. NIMHANS has a well-established track record of excellence in the education and training of skilled professionals bound for vibrant careers in mental health and neurosciences. Students who graduate from NIMHANS can carry their degree to any part of the world with confidence and pride.

The prospectus contains comprehensive information about NIMHANS and the academic programs offered at the Institute. Please read the prospectus carefully before applying for the courses of your interest. Visit the NIMHANS website and contact us if you need further clarifications.

I wish you all the best and look forward to welcoming you to an enriching academic journey at NIMHANS.

Dr. Pratima Murthy
Director

Brief History of NIMHANS

The Government of India established the All India Institute of Mental Health in 1954 in association with the then existing Mental Hospital of the Government of Karnataka. Major objective of the Institute was to generate manpower in the field of mental health and neurosciences. The Government of India chose the Mental Hospital, Bangalore, as the centre for training, which had built up certain traditions since 1936 in matters related to undergraduate training in the field of Psychiatry. The Institute was then affiliated to the University of Mysore for all courses. Subsequently, the Institute became affiliated to the Bangalore University in 1964. The Bangalore University established a separate faculty of Mental Health and Neurosciences.

The All India Institute of Mental Health and the Mental Hospital of the Government of Karnataka were amalgamated into an autonomous institute and thus the National Institute of Mental Health and Neuro Sciences (NIMHANS) came into existence in 1974.

NIMHANS was conferred 'Deemed to be University' status by UGC in 1994 and NIMHANS became an autonomous and independent university.

NIMHANS was declared as an Institute of National Importance by an Act of Parliament vide Government of India Gazette Notification dated 14.9.2012. Notwithstanding anything contained in the Indian Medical Council Act, 1956, the Rehabilitation Council of India Act, 1992, the Indian Nursing Council Act, 1947, and the University Grants Commission Act, 1956, the medical degrees, diplomas, nursing degrees and certificates granted by the Institute under this Act shall be recognized medical qualifications for the purposes of the Acts aforesaid and shall be deemed to be included in the Schedule to the respective Acts.

Spread across 135 verdant acres in the heart of the garden city, NIMHANS offers the latest medical advances in an environment that promotes mental health and enhances a sense of wellness. The state-of-the-art facilities bolstered by highly skilled professionals – who are dedicated to providing patients with compassionate and comprehensive care – make NIMHANS a centre of excellence and specialized expertise.

The unique feature of this Institute is its multidisciplinary approach to patient care, training as well as research in the areas of mental health and neurosciences. The manpower development programs at NIMHANS reflect the extent to which the institute has succeeded in fusing and nurturing behavioural, neuro, biological and ancient health sciences/systems under one roof.

Vision of NIMHANS

To be a world leader in the area of Mental Health and Neurosciences and evolve state-of-the-art approaches to patient care through translational research.

Mission

1. To establish the highest standards of evidence-based care for psychiatric and neurological disorders and rehabilitation.
2. Develop expertise and set standards of care for diseases of public health relevance in the developing world
3. Work with the government and provide consultancy services for policy planning and monitoring strategies in the field of Mental Health and Neurosciences and facilitate execution of national health programme.
4. Human resource capacity building by training in diverse fields related to Mental Health and Neurosciences.
5. Develop and strengthen inter-disciplinary, inter-institutional and international collaboration with universities and research institutes across the globe to foster scientific research, training in advanced technology and exchange of ideas in the areas of Mental Health and Neurosciences.
6. Strive to enhance equitable accessibility of primary care in Mental Health and Neurological Disorders to all sections of society and ages including the vulnerable population.
7. Evolve and monitor the strategies for disaster management and psycho-social rehabilitation in different cultural and ethnic groups.
8. Promote Mental Health literacy and eliminate the stigma attached to the Mental and Neurological Illnesses by taking the measures and the delivery system to the centres of primary health care honouring the human rights and dignity.
9. Integrate allopathic and oriental medicine into health care delivery and promote evidence-based research.
10. Integrate physical and metaphysical aspects of Neuroscience research to promote yoga and its application to positive mental health.
11. Participate in broad field of Neuroscience and Behavioural Research applicable to Human Ethics, Organ Transplantation, Stem cell Research, Space Science, and Nuclear Science.

Student Programs

As a policy, NIMHANS is committed to the cause of health, wellbeing and welfare of its student community and constantly strives to create all the necessary framework and systems in this direction. Various student wellbeing activities are in place at the Institute.

1. Kannada Language Learning Program

Kannada is one of the oldest Dravidian languages. It is the Karnataka state's official language. It is desirable that Non-Kannada speaking students make efforts to learn this language for better communication with patients and their family members.

The Kannada Cell and Department of Publication organize a three-month Kannada Language Learning Program in collaboration with the Department of Kannada & Culture, Government of Karnataka. Students are required to attend these sessions. As majority of the patients seen at NIMHANS speak Kannada, it is mandatory that students learn to comprehend and speak Kannada.

2. Orientation Lectures

Orientation Lectures are organized for all the newly admitted students by the Heads of the Departments in order to familiarize the students with the vast diversification of facilities under Basic, Behavioural and Neurosciences Divisions at NIMHANS.

3. Anti-Ragging Policy

NIMHANS being an Institute of National Importance has zero tolerance towards ragging and prohibits ragging in all forms. We are proud to state that our campus is ragging free and students are informed to abide by the rules and ensure a ragging free campus. As per the guidelines of UGC under section 26 (1)(g) of the University Grants Commission Act, 1956, which is modified as UGC Regulations, 2009 on curbing the menace of ragging in Higher Educational Institutions, an Anti-Ragging Committee exists in NIMHANS.

4. Internal Complaints Committee

The Internal Complaints Committee is constituted in order to review issues concerning harassment of women at the workplace. This committee functions as per the guidelines of the Sexual Harassment at Workplace (prevention, prohibition and Redressal) Act 2013.
