- 8.7. The goods shall be packed using virgin packing materials in such a manner as to ensure delivery in good condition. The supplies packed in used/ recycled containers will be rejected and such supply will be deemed as ‘Sub-Standard’ supply and such company will be liable to be blacklisted.
- 8.8. Supplies with smudged, corrected, over-written or masked labels due to whatever reason will be rejected. The logos printed should be such that they do not mask the contents of the label.
- 8.9. It should be ensured that only first use packing material of uniform size including bottle and vial is used for making supplies.
- 8.10. All primary packing containers should strictly conform to the specification of the Drugs and Cosmetics Acts and Rules.
- 8.11. The shipper packing in cartons should be as per standard operation procedure. It should not exceed more than 25 KGs weight to enable easy handling.
- 8.12. In the event of items of Surgical and Miscellaneous supplied found to be not as per specifications in respect of their packing, the tender inviting authority is at liberty to make alternative purchase of the item of drugs and medicines for which the purchase orders have been placed from any other sources in the open market or from any other bidder who might have quoted higher rates at the risk and the cost of the supplier and in such cases the tender inviting authority has every right to recover the cost and impose difference in cost as penalty.

9. STANDARDS AND SPECIFICATIONS

- 9.1. The Surgical and Miscellaneous shall be labelled as per provisions under Drugs and Cosmetics Act of 1940 and the Rules made there under. The size of the label shall be proportionate to the size of the container.
- 9.2. The name of the item should be printed for every packing .

10. EXPIRY DATE:

- 10.1. All products must indicate the Date of Manufacture and Expiry.
- 10.2. The stock should be supplied to this Institute from the latest batch and such a stock should have a minimum shelf-life period of 18 months. Depending upon the normal potency prescribed, supplies with a minimum life period of one year at the time of receipt will be accepted and bill will be passed only for the

- consumed quantity. Surgical and Miscellaneous with less than 3 months' shelf-life in the stock of NIMHANS Pharmacy Surgical stores should be replaced by the supplier free of cost.
- 10.3. Replacement intimation should be sent to concerned before 03 months of date of expiry for product replacement.
 - 10.4. In the event of such drugs not being utilized within their life period, the tenderer should undertake to replace the unexpended stock by fresh stock without demanding any extra cost.
 - 10.5. Replacement should be made within 15/30 days from the date of intimation failing which, the equivalent amount will be recovered from the tenderer pending bills and/or Security Deposit.

11. TESTING and QUALITY CONTROL:

- 11.1. Items supplied to the Institute should be of good quality and the decision of NIMHANS in this regard is final and binding on the Tenderer/ Bidder. **If the quality of item is not satisfactory and does not meet the specifications / requirements and proper maintenance, the same will be rejected and the supplied item has to be removed from the Institute by the Bidder/Tenderer immediately on their own expense after receipt of intimation. If the item is not removed within 30 days from the date of the intimation letter, the supplies will be destroyed. The drugs will not be returned to the tenderer and no claim will be entertained.**
- 11.2. Purchaser reserves the right to test each batch or batches selected at random of the consignment received either at the time of receiving the goods or at any time during the shelf life of the product for test and analysis at any laboratory approved under the Drugs and Cosmetics Act and Rules notwithstanding the routine sampling that may be carried out by the Drugs Control and Regulatory authorities. Handling at the rate of ₹500/- per batch and testing charges as per actuals will be deducted by NIMHANS for the above purpose from the respective manufacturer.
- 11.3. Each batch of supply should be accompanied with the copy of Certificate of Analysis (COA) from the Government approved drug testing laboratories as per CDSCO.
- 11.4. If the sample or samples is/are declared to be "NOT OF STANDARD QUALITY" or "SPURIOUS" or "ADULTERATED" or "MISBRANDED", such batch/ batches will be deemed to have been rejected. If the samples do not conform to the statutory standards, the bidder will be liable for relevant action under the existing laws including prosecution.
- 11.5. In case a batch tested is declared as "Not of Standard Quality", the Bidder shall supply a fresh stock of "Standard Quality" equivalent to the entire quantity of the batch supplied earlier, irrespective of the quantity available in stock, within 30 days from the date of receipt of such communication.
- 11.6. If any written complaints are received from the user departments regarding the quality of drugs, the item will be rejected. Order will be placed with next lowest tenderer. No payment will be made even for the consumed quantity and the tenderer will be blacklisted for TWO years to trade with the Institute.
- 11.7. In case of poor quality of items supplied, the name of the tenderer as well as the details of quality control failure will be displayed on the web page of NIMHANS.
- 11.8. Any violation of tender norms may lead to blacklisting of the tenderer by the Institute for 3 years.

12.WARRANTY:

The items to be supplied by the tenderer shall be as per the formulations/standards approved/ specified by the NIMHANS or as per the regulations of any such statutory authorities. The manufacturers shall be held responsible for the consequences of supplying any sub-standards or spurious and adulterated drugs or medicines not conforming to such regulations/ Acts.

13. VALIDITY OF QUOTATION:

The rates quoted shall be valid for 12 months from the date of agreement entered with NIMHANS. The validity period may be extended additionally up to one year at the discretion of the Director, NIMHANS.

14. ORDERS AND DELIVERY SCHEDULES (SUPPLY CONDITIONS):

- 14.1. Orders will be placed with the selected tender parties and payment will be made to them directly through ECS as per Government rules.
- 14.2. Purchase orders placed against the contract, on or just before last date of the tenure of contract will have to be accepted/ honoured by the manufacturers.
- 14.3. The purchaser does not guarantee the quantity, which will be ordered. The quantity mentioned is only the tentative requirement and may increase or decrease as per the actual requirement. No claims shall pay against NIMHANS in this regard. The rate quoted should not vary with the quantum of the order.
- 14.4. The tenderer should intimate this office about the supply position within 05 days from the date of purchase order, failing which, it would be considered that the tenderer is not interested in executing the supply against the order and the purchase order will be awarded to the next lowest tenderer.
- 14.5. In case the selected company wants to supply and raise the bills through their authorized distributor, the name, address and contact telephone number should be given during the agreement and is shall be entered in the agreement. Further modifications will not be entertained. In extraordinary situation it may be permitted after the approval from the Competent Authority. In such case the companies are requested to supply directly from company.
- 14.6. The purchaser reserves the right to order for only such quantity as may be necessary and the Bidder is bound to supply the ordered quantity only. Quantities supplied in excess will not be paid for.
- 14.7. The Bidder is permitted to supply the ordered quantity in phases not exceeding two:

PHASE-I: Deliveries should be made with not less than 50% of the quantities of each item ordered within 15 working days or the period entered in the agreement from the date of receipt of the purchase order

PHASE-II: The remaining quantity of each item ordered should be delivered within another 15 working days or the period entered in the agreement.

- 14.8. Each carton container to be supplied to NIMHANS shall be embossed/ stamped with "NIMHANS PHARMACY", by the manufacturer at their own cost.
- 14.9. Supply time: Timing 10:00AM to 03:30PM on all working days
- 14.10. **Successful bidders and their authorised suppliers (if any, as entered in the agreement) must always keep a reasonable quantity along with analytical test report to ensure to supply within 24 hours of telephonic orders (in case of critical and life-saving drugs)**
- 14.11. The strip and the packing should clearly state the name of the manufacturer who has participated in the tender.
- 14.12. Special drugs wherever strip pickings are not available will be accepted.

- 14.13. The order will be awarded to the successful tenderer for the supply of items for the specified period and the tenderer shall supply on receipt of purchase orders from the Assistant Administrative Officer (H), Hospital Staff Section. A scanned copy of purchase orders will be sent to the email of the manufacturer / authorised supplier
- 14.14. Bandages/ POP bandages will be tested in the Institute and only those items which are found to be of good quality and suitable will be included for selection. No reason will be given for rejection.
- 14.15. As far as possible supply should be made from single or minimum number of batches. Separate batches should be packed separately.
- 14.16. Packing slip containing full details about the contents like Quantity, Batch number, Manufacturing Date and expiry date should be pasted on every parcel.
- 14.17. The company should ensure that the size of the letter font in the strips of the tablets capsules and in the vials and ampoules of the injections should be readable and visible to enable the Pharmacists / Doctors / Patients to identify the drugs without difficulty failing which the drugs will be rejected.
- 14.18. The company should ensure that the drugs supplied by them should be of different strip colour and size. If NIMHANS receive any lookalike drugs with same strip colour and size, the supply will be rejected and purchase will be initiated from the next lowest supplier. The difference in cost (Minimum ₹2,000/-) will be recovered from the defaulted company.
- 14.19. Manufacturers shall arrange to effect free replacement of any quantity which may deteriorate in potency, strength approaching expiry or expired etc. before the date of expiry marked on the labels.
- 14.20. If the supplied item is not utilised before expiry date the supplier or manufacturer should undertake to replace with fresh stock of items as and when required.
- 14.21. Purchase orders will be sent through email followed with speed post. The tenderers are requested to give their correct postal address and valid email ID to enable the delivery of purchase orders. Further they are requested to check the mail regularly.
- 14.22. **MARKING:** Each packing shall be marked with nomenclature of the drug and shall be labelled in accordance with the requirement of the Drugs and Cosmetics Act, 1940 and the rules made there under.
- 14.23. Manufacture is primarily responsible for ensuring the supply of consignment within stipulated time frame and procedures as decided.
- 14.24. The Institute has right to intimate manufacturer to change the supplier if there is a reason for the Institute to believe so.

15. PENALTY CLAUSE:

- 15.1. In case the supply is not completed fully within the stipulated period (30 days) as mentioned above, the purchaser reserves the right to cancel the order for non-supplied quantity and proceed with the purchase of the same generally identical item from L-II or L-III (if specified in the Rate Contract) or from the open market in the order of preference.
- 15.2. If the supply is not made within the time specified in the purchase order or 30 days on the receipt of P.O. whichever is later, then **NIMHANS** reserves the right to procure the drugs of similar nature from the next alternative lowest choice manufacturer/ open market and the extra expenditure incurred will be recovered from the manufacturers Performance Security / Security Deposit / suppliers bill along with administrative cost of 20% of the value of the purchase requisition (minimum of ₹2,000/-).
- 15.3. The difference of cost (minimum of ₹2,000/-) due to purchase from the next alternate source like L-II, L-III (if specified in R.C.) or open market in the same

order preference shall be recoverable (along-with 20% of administrative cost) from the Manufacturer / Supplier as under:

Difference of cost between L-I and L-II from L-I

Difference of cost between L-II and L-III from L-II

Difference of cost between L-III and open market from L-III

In case L-II and/or L-III are not specified in the Rate Contract, the difference of cost shall be recovered from L-I with reference to the purchase price as the case may be.

15.4. Penalty for late supply:

15.4.1. Manufacturer and their authorized supplier fails to execute the purchase order within the stipulated time / period as entered in the agreement, a penalty of 0.5% per day + GST, maximum 10% + GST unless extension is obtaining in writing with valid grounds/ reasons. Such extension is permissible for a maximum period of 3 weeks only. That extension of delivery period cannot be claimed as a matter of right but will be at the discretion of the Competent Authority.

15.4.2. If the manufacturer firm fails to execute the purchase order three times during the period of rate contract, without written permission from the Competent Authority of NIMHANS, it shall be debarred for the next three years with effect from the last failure and forfeiting of EMD/Performance Security for that drug.

15.5. The approved manufacturers should supply all their ordered items within Date of Delivery (DOD) period as per Purchase Order terms and these terms should be strictly adhered to. **In case they fail to supply the item within DOD period, the reminder letter would not be issued in any circumstances and penalty will be imposed.** The item would be arranged with other through local purchase or from open market under Risk Purchase Clause without any information in this regard. The difference amount shall be recovered from the pending dues of the firm. **In the eventuality of such instances being repeated, administrative action shall be initiated as per NIMHANS procedure which may lead to debarring of the firm for subsequent tenders (up to 3 years)**

15.6. It is hereby also informed that in case any administrative action (imposing of liquidated damages, warning letter, risk purchase, short supply etc.) is taken by the NIMHANS during the tender period against any approved tenderers, it would be reflected during finalization of the next tender as "Past Performance" of that firm.

15.7. The Director, NIMHANS or her nominee reserves the right to invite at her sole discretion, separate quotations to effect purchase outside this contract in the event of any urgent demand arising in hospital, where no stock is held or otherwise.

15.8. When the total penalty amount exceeds the EMD/SD held, the firm has to remit the amount failing which the firm will not be allowed to participate in the next tender.

16. PAYMENT CLAUSE:

16.1. 100% payment would be made on receipt of goods in good condition and acceptance upon the submission of the "Original copies of suppliers invoice showing Purchase Order number, goods description, quantity, packing list, unit price and total amount"

16.2. No advance payment will be made towards the supply. Payment will be made only after the items are supplied as per the purchase order/supply order

- 16.3. Payments towards the supply of drugs & chemicals will be made strictly as per rules of NIMHANS, Bengaluru
- 16.4. Any dues or payment that have arisen to the Institution from the manufacturer or their authorised suppliers for which no specific time-limit has been laid down in the terms & conditions, shall be payable by the manufacturer or their authorised supplier within such time limit as may be prescribed in the various letters/orders addressed to the manufacturer/tenderer/contractors. On failure to do so the manufacturer or their authorised supplier shall be liable to be debarred for not paying dues or payment etc. to the hospital for a period as decided by the Director or her/his nominee.
- 16.5. Condition of advance payments shall not be entertained.
- 16.6. No claims shall be against NIMHANS, Bengaluru, in respect of interest on Earnest Money Deposit or on Security Deposit or Delayed payments.
