

## **CONFERENCES: PRESENTATIONS AND PLENARY LECTURES; CMEs AND WORKSHOPS CONDUCTED**

*13th Annual National Conference of the Indian Association of Clinical Psychologists, Bombay, 1983:*

1. Machado T, Andrade C. The psyche at high altitude.

*18th Annual Conference of the Indian Psychiatric Society (South Zone), Trichur, 1985:*

1. Andrade C, Gangadhar BN, Channabasavanna SM. Lithium-induced paradoxical neurotoxicity: A risk factor.
2. Andrade C, Gangadhar BN, Channabasavanna SM. Unusual recovery with ECT.

*38th Annual National Conference of the Indian Psychiatric Society, Jaipur, 1986:*

1. Andrade C, Desai NG, Gangadhar BN, Channabasavanna SM. Lithium-carbamazepine combination for lithium-resistant mania.

*39th Annual National Conference of the Indian Psychiatric Society, Calcutta, 1987:*

1. Andrade C, Gangadhar BN, Seshadri S, Jain S, Swaminath G, Channabasavanna SM. ECT variables: Impact in depression.

*Silver Jubilee Conference of St. John's Medical College, Bangalore, 1988:*

1. Andrade C, Pradhan N. Electroconvulsive therapy and dopamine postsynaptic receptors.

*41st Annual National Conference of the Indian Psychiatric Society, Cuttack, 1989:*

1. Andrade C, Gangadhar BN. Electroconvulsive shock and dopamine postsynaptic receptors: Clinical implications of time-dependant change. Paper receiving the Bhagwat Award.
2. Harihar C, Das B, Andrade C, Pradhan N. Schizophreniform disorder: severity and outcome as functions of plasma homovanillic acid levels.

*42nd Annual National Conference of the Indian Psychiatric Society, Chandigarh, 1990:*

1. Andrade C. Psychobiological frontiers of electroconvulsive therapy in depression: Evaluation of strategies for rational prescription and reduction in morbidity. Tilak Venkoba Rao Oration.
2. Andrade C, Arunasmitha S, Pradhan N. Serial electroconvulsive shock: acute and sustained effects on alpha-2 adrenergic receptors.
3. Gangadhar BN, Ramadevi G, Andrade C, Pradhan N. Dopamine autoreceptor effects of a single electroconvulsive shock.
4. Andrade C, Gangadhar BN, Channabasavanna SM, Pradhan N. Subjective side effects of electroconvulsive therapy in endogenous depression.
5. Andrade C, Gangadhar BN, Channabasavanna SM, Pradhan N. The clinical identification of endogenous depressives who respond to electroconvulsive therapy.

*National Workshop on ECT: Priorities for Research and Practice, NIMHANS, Bangalore.*

1. Andrade C. Mechanism of action of electroconvulsive therapy.

*43rd Annual National Conference of the Indian Psychiatric Society, Calicut, 1991:*

1. Andrade C, Andrade AC, Fernandes C, Verghese L. Effect of negative ion atmospheric loading on cognitive functioning in human volunteers.
2. Andrade C, Andrade AC, Mariadas B. ECT: Public knowledge and attitudes.

3. Andrade C, Pradhan N. Alpha-2 adrenoceptor effects of alternate day electroconvulsive shocks.

*24th Annual National Conference of the Indian Pharmacological Society, Ahmedabad, 1992:*

1. Venkataraman BV, Naga Rani MA, Andrade C, Joseph T. Cholinesterase levels in the presence and absence of antidote in acute pesticide poisoning.
2. Naga Rani MA, Venkataraman BV, Andrade C, George J, Joseph T. Group viva: A tool for simultaneous teaching and evaluation.

*44th Annual National Conference of the Indian Psychiatric Society, Delhi, 1992:*

1. Agarwal AK, Andrade C, Reddy MV. Electroconvulsive therapy in India: A survey of the Indian Psychiatric Society.
2. Rao NSK, Andrade C, Sekhar RV, Venkataraman BV. Effect of different schedules of electroconvulsive shock on complex maze learning in rats.

*8th Annual Congress of the Indian Association of Social Psychiatry, Madras, 1992:*

1. Andrade C, Rao NSK, Reddy MV, Andrade AC. Hospital administrators' attitudes towards ECT.

*8th Annual Conference of the Indian Psychiatric Society (Kerala Chapter), Trichur, 1992:*

1. Andrade C. The current status of ECT (CME lecture).

*45th Annual National Conference of the Indian Psychiatric Society, Lucknow, 1993:*

1. Andrade C. The role of statistics in research: An overview towards demystification (CME lecture).
2. Andrade C, Pradhan N. Electroconvulsive therapy and the alpha-2 noradrenergic receptor: Clinical implications of treatment schedule effects. Paper receiving the Marfatia Award.
3. Andrade C, Joseph J, Naga Rani MA, Venkataraman BV. BR-16A protects against ECT-induced anterograde amnesia.
4. Andrade C, Krishnamurthy M, deSouza C, Selvaraj V, Venkataraman BV, Naga Rani MA, Joseph T. Cognitive toxicity of the ECT-antidepressant combination.
5. Andrade C, Sarkar P, Kapur B, Das P, Sivaramakrishna Y, Anand A, Dharmendra MS. A double-blind controlled study of ECT in haloperidol-treated DSM III-R schizophreniform disorder.
6. Andrade C, Mariadas B, Kalanidhi K, Reddy MV. Patients' knowledge about and attitudes towards ECT.
7. Andrade AC, Pai S, Cardoza S, Andrade C. Personality score norms for female college students.
8. Pai S, Andrade AC, Cardoza S, Andrade C. Adjustment score norms for female college students.

*26th Annual Conference of the Indian Psychiatric Society (South Zone), Cochin, 1993:*

1. Andrade C. Recent psychotropics: A profile (CME lecture).

*46th Annual National Conference of the Indian Psychiatric Society, Madras, 1994:*

1. Andrade C. Maintenance ECT and dopamine postsynaptic receptors.
2. Andrade C, Sarkar P. Effect of ECT on haloperidol-induced parkinsonism, dystonia and akathisia.

3. Suresh KP, Prasad KMR, Mohan R, Andrade C, Ashok MV, Chaturvedi SK, Srinivas KN. Single versus divided dose lithium therapy in acute mania.
4. Mohan R, Suresh KP, Prasad KMR, Ashok MV, Andrade C, Srinivas KN, Chaturvedi SK. Risk-benefit analysis of once-daily lithium in the prophylactic treatment of affective disorders.

*27th Annual Conference of the Indian Psychiatric Society (South Zone), Dharwad, 1994:*

1. Andrade C. Pharmacotherapeutics in psychiatry: Current thought (Invited Poster Exhibition).

*39th Annual National Conference of the Indian Association of Physiologists and Pharmacologists, Trivandrum, 1994:*

1. Naga Rani MA, Venkataraman BV, Jaiprakash R, Andrade C. Effect of felodipine on cholinergic responses in isolated STZ diabetic rat.

*47th Annual National Conference of the Indian Psychiatric Society, Patna, 1995:*

1. Andrade C. Evaluation of a herbal formulation with putative psychotropic properties: Exercises in research and development. Paper receiving the Marfatia Award.
2. Andrade C, Andrade AC, Limaye N, Lakshmi R, Reshma M, Ravishankar U. Knowledge about and attitudes towards ECT: A survey of urban general medical practitioners.
3. Iyengar U, Andrade C, Andrade AC, Rao NSK. Nonpsychiatric medical specialists' attitudes towards ECT.
4. Andrade C, Ramteke S, Faruqi S, Joseph J, Venkataraman BV, Naga Rani MA. Efficacy of BR-16A in the attenuation of the anterograde amnesic deficits induced by electroconvulsive shocks in slow learning Wistar rats.

*International Symposium on Cultural Psychiatry (Indian Association for Social Psychiatry/World Psychiatric Association, Trans-cultural Psychiatry Section), Chandigarh, 1995:*

1. NSK Rao, Andrade C, Mathai G. Indian medical students' attitudes towards ECT.
2. Postma K, Abraham K, Joyappa U, Samuel S, Parakki RJ, Elisabeth Sr., Andrade C. Dimensions of subjective well-being in parents in one-working versus both-working families.

*17th Annual Conference of the Indian Psychiatric Society (Central Zone), Agra, 1995:*

1. Andrade C. Practical psychopharmacology (Guest Lecture).
2. Andrade AC, Pai S, Cardoza S, Andrade C. Personality profile of urban, female college students.

*28th Annual Conference of the Indian Psychiatric Society (South Zone), Vijayawada, 1995:*

1. Andrade C. Recent advances in ECT (CME lecture).
2. Andrade C. Recent psychotropic drugs (Invited Poster Exhibition).

*2nd Annual National Conference of the Alzheimer's and Related Disorders Society of India, Trichur, 1995:*

1. Andrade C. New treatment strategies in the management of Alzheimer's disease (Invited Lecture).

*48th Annual National Conference of the Indian Psychiatric Society, Bangalore, 1996:*

1. Andrade C, Mathews M, George V, Anil M, George J, Naga Rani MA. Lack of effect of Shankapushpi in the attenuation of ECS-induced memory deficits.
2. Andrade C, Kamath S, Ramteke S, George J, Naga Rani MA, Venkataraman BV, Narayan N, Suresh Chandra J. Evaluation of pre-ECT antihypertensive drug administration in the minimization of ECT-induced retrograde amnesia.
3. Andrade AC, Andrade C, Lakshmi R, Reshma M. Do astrological forecasts predict behaviour and experiences?

*World Psychiatric Association Section Meeting on Biological Psychiatry: International Convention of Biological Psychiatry, Bombay, 1996:*

1. Andrade C. Methods in therapeutic drug monitoring (invited lecture at the Symposium on Therapeutic Drug Monitoring).
2. Andrade C. Medical professionals' attitudes towards ECT in India (invited lecture at the Symposium on Electroconvulsive Therapy).
3. Andrade C, Suresh Chandra J. Herbal pharmacotherapy for ECS-induced memory deficits: No role for Shankapushpi.

*13th Annual Meeting of the American Association of Clinical Anatomists, Nebraska (U.S.A.), 1996*

1. Kamath S, Andrade C. Asymmetry of arteries in the Circle of Willis.

*15th Annual National Conference of the Society of Toxicology, Calcutta, 1996:*

1. Anitha K, Andrade C, Chandra JS, Pillai KS, Murthy PBK. Efficacy of "Memorin", an Ayurvedic preparation, in the attenuation of retrograde and anterograde amnesia in Sprague-Dawley rats.

*Royal College of Psychiatrists Regional Meet, Hyderabad, 1996:*

1. Andrade C, Rao NSK. True hallucinations in non-psychotic conditions.
2. Rao NSK, Andrade C. Patients' attitudes towards ECT: A controlled study.

*49th Annual National Conference of the Indian Psychiatric Society, Kanpur, 1997:*

1. Andrade C, Anitha K, Chandra JS. Attenuation of ECT-induced anterograde amnesia.
2. Andrade C, Anitha K, Chandra JS. Attenuation of ECT-induced retrograde amnesia.

*30th Annual Conference of the Indian Psychiatric Society (South Zone), Kottayam, 1997:*

1. Andrade C. Management of treatment-resistant mania (invited lecture).

*50th Annual National Conference of the Indian Psychiatric Society, Jaipur, 1998:*

1. Management of refractory obsessive compulsive disorder (invited lecture)
2. Moclobemide (invited lecture).
3. Assessment of the therapeutic adequacy of the ECT seizure: Current status.

*World Psychiatric Association Regional Meeting: Indo-British-American Symposium on Clinical Psychopharmacology, Jaipur, 1998:*

1. Andrade C. Treatment of mania and prophylaxis of bipolar disorder (invited lecture).

*Update Ayurveda 98, Bombay, 1998:*

1. Andrade C. Contribution of Ayurveda to the treatment of CNS disease.

*National Symposium on Affective Disorders, Chandigarh, 1998*

1. Andrade C. ECT for affective disorders: the Indian experience (invited lecture).

*14th International Conference of Alzheimer's Disease International, Cochin, 1998:*

1. Andrade C. Herbal treatment of age-associated cognitive decline (guest lecture).

*1st National Conference of Psychiatrists' Association of Nepal, Dharan, 1998:*

1. Reddy MV, Andrade C. Mental disorders: prevalence and management through mental health delivery system.

*International Symposium on Cultural Psychiatry, Bangalore, 1998:*

1. Andrade C. Cultural issues in psychopharmacology (invited lecture).

*51st Annual National Conference of the Indian Psychiatric Society, Bhubaneswar, 1999:*

1. Andrade C, Kiran S, Rao NSK. Reliability and validity of a questionnaire assessing knowledge about and attitudes towards ECT.
2. Andrade C, Kiran S, Rao NSK, Choudhury P. Do Indian researchers read Indian research? A follow-up study.

*South Zone Conference of the Alzheimer's and Related Disorders Society of India: Caring for the Caregiver, Bangalore, 1999:*

1. Andrade C. Treatment of dementia (invited lecture).

*32nd Annual Conference of the Indian Psychiatric Society, South Zone, Visakhapatnam, 1999:*

1. Andrade C, Rele K. Musculoskeletal morbidity with unmodified ECT may be less than earlier believed (Jayaram Award paper).

*5th Annual National Conference of the Alzheimer's and Related Disorders Society of India, Bombay, 1999:*

1. Andrade C. Herbal treatments for Alzheimer's disease and related disorders (invited lecture).

*52nd Annual National Conference of the Indian Psychiatric Society, Cochin, 2000.*

1. Andrade C. Unconventional treatments for bipolar disorder (invited lecture).
2. Andrade C, Srinivasamurthy GM, Senani V, Prakash GS, Srihari BS, Chandra JS. Dose-dependent effects of electroconvulsive shocks on dopamine postsynaptic receptor functioning in the rat brain.
3. Andrade C, Srihari BS. A preliminary survey of rhinotillexomania in a young, Indian sample.

*7th Annual National Critical Care Congress of ISCCM, Bangalore*

1. Andrade C. How to write a medical paper (invited lecture).

*53rd Annual National Conference of the Indian Psychiatric Society, Pune, 2001.*

1. Andrade C. Data storage and retrieval (CME lecture)
2. Andrade C. Ask the expert (Open house session)
3. Andrade C, Aswath A, Chaturvedi SK, Raguram R, Srinivasa M. GS-02 for dysthymic disorder: results of a preliminary, open study.

4. Andrade C, Rao NSK, Reddy KP, Madappa KN, Thyagarajan S, Chandra JS. Indomethacin attenuates ECT-induced retrograde amnesia.
5. Andrade C, Sudha S, Jyotsna K, Venkataraman BV. The ECT stimulus dose: effects of stimulus element variables.
6. Andrade C, Tharakan JF, Chari S. The psychometric identification of malingering.

*Southern Regional Conference of the Indian Pharmacological Society, Trivandrum 2001.*

1. Sudha S, Andrade C, Venkataraman BV. Differential effects of electroconvulsive shocks on alpha-2 adrenergic receptor functioning in the rat brain.

*34th Annual Conference of the Indian Psychiatric Society, South Zone, Trichur, 2001.*

1. Andrade C. Rating of extrapyramidal syndromes in psychiatry (CME lecture).
2. Andrade C, Kurinje S, Laxmanna G. Fidelity of ECT devices: an alert to clinicians (SS Jayaram Award paper).
3. Suresh Kumar PN, Andrade C. Factors associated with noncompliance in psychiatric patients: an Indian experience (SS Jayaram Award paper).

*National Conference on Human Sexuality and Sexual Values, Respect for Life India, Bangalore, 2001.*

1. Sexuality: problems while growing up (invited lecture).

*12th International Conference on Frontiers in Yoga Research and Applications, Symposium on Neural Plasticity, Bangalore, 2001.*

1. Brain, mind and environment (invited lecture).

*54th Annual National Conference of the Indian Psychiatric Society, Calcutta, 2002.*

1. Andrade C, Chari S. The Flynn effect: an alert to clinicians.
2. Andrade C, Crasta W, Chaturvedi S, Isaac MK, Raguram R. GS-02: lack of antidepressant efficacy in a double-blind, placebo-controlled trial.
3. Andrade C, Thyagarajan S, Vinod PS, Srikanth, SN, Rao, NSK, Chandra, JS. Spinal fracture with ECT: possible role of stimulus dose.
4. Andrade C, Thyagarajan S, Vinod PS, Srikanth, SN, Rao, NSK, Chandra, JS. Effect of stimulus dose and number of treatments on ECT-induced retrograde amnesia.
5. Andrade C, Chandra JS, Moola B, Hegde R, Kulhalli P. Brahmi and Mandookaparni in the attenuation of ECT-induced retrograde amnesia.

*European Congress of Neuropsychopharmacology, Barcelona, 2002*

Rao NSK, Andrade C, Fernandes P, Thyagarajan S, Vinod PS, Srikant SN, Chandra JS. Celecoxib protects against retrograde amnesia induced by electroconvulsive shocks in rats.

*55th Annual National Conference of the Indian Psychiatric Society, Hyderabad, 2003.*

1. Andrade C, Kurinji S, Sudha S, Chandra JS. Effects of pulse amplitude, pulse frequency, and stimulus duration on seizure threshold.
2. Andrade C, Kurinji S. The electroconvulsive shock seizure threshold: normal variations, and influence of subconvulsive stimuli.
3. Andrade C, Akki A, Nandakumar N, Chandra JS. Repeated subconvulsive electroconvulsive shocks lower the seizure threshold: a controlled study.
4. Andrade C, Kurinji S, Laxmanna G. Fidelity of ECT devices: an alert to clinicians.

*Annual Meeting, Association for Convulsive Therapy, San Francisco, 2003*  
Andrade C. Researcher of the Year Oration: Studies on the ECT stimulus.

*4th Annual National Conference of the Indian Association of Private Psychiatry, Varanasi, 2003*

1. Andrade C, Sudha S, Mukundan CR, Chandra JS. Spectral EEG effects of electroconvulsive shock stimulus parameters: the development of a rationale for the optimization of the ECT stimulus. Dr. Indira Rama Subba Reddy Award-winning paper.
2. Treatment guidelines for depression: the use of ECT (invited lecture).

*56th Annual National Conference of the Indian Psychiatric Society, Mysore, 2004.*

1. Andrade C, Sudha S, Mukundan CR, Chandra JS. Optimizing the ECT stimulus: 1. Ictal spectral EEG data.
2. Andrade C, Sudha S, Mukundan CR, Chandra JS. Optimizing the ECT stimulus: 2. Interictal spectral EEG data.
3. Mahadeshwar S, Bhakta S, Bhirud M, Shah N, Andrade C. Musculoskeletal morbidity associated with unmodified ECT.
4. Andrade C. Internet sites for psychiatry (CME lecture)
5. Andrade C. Research in biological psychiatry: the best of 2003 (Biological Psychiatry Symposium guest lecture).

*International Conference on Schizophrenia, Madras 2004*

1. Andrade C. Treatment of schizophrenia with electroconvulsive therapy (Treatment Symposium, invited lecture).

*International Congress on Biological Psychiatry, Sydney, Australia, 2004*

1. Andrade C. Maintenance ECT: a review of recent research (ECT symposium, invited lecture).
2. Andrade C. ECT for schizophrenia: a review of recent research (ECT symposium, invited lecture).

*11th Asia-Pacific Congress on Love, Life, and Family, Bangalore, 2005*

1. Andrade C. Tackling family dysfunction in alcoholism (invited lecture).

*57th Annual National Conference of the Indian Psychiatric Society, Chandigarh, Jan 29-Feb 1, 2005*

Papers:

1. Andrade C. Controversy: SSRIs in pediatric depression.
2. Andrade C, Nandakumar N, Sudha S, Chandra JS, Venkataraman BV. An investigation of steroid mechanisms in ECT-induced retrograde amnesia.

CME lecture:

1. Psychopharmacological management of dementia.

Workshops:

1. Psychopharmacology: Lamotrigine: Emerging roles in mood disorders and schizophrenia.
2. Biological Psychiatry: Morphological brain changes in schizophrenia and possible diagnosis by MRI.

3. The pharma-physician partnership: a contributory relationship?

*Golden Jubilee Conference, Department of Psychiatry, NIMHANS, Bangalore, Feb 10-12, 2005.*

Invited lecture

1. Andrade C. SSRIs in pediatric depression.

*8th World Congress of Biological Psychiatry, Vienna, Jun 28-Jul 3, 2005*

1. Andrade C, Mahadeshwar S, Bhakta S, Bhirud M, Shah N, Fernandes P. Musculoskeletal morbidity with unmodified ECT may be less than earlier believed (ECT Symposium, guest lecture).

*World Psychiatric Association Co-sponsored International Conference on Psychiatry, Colombo, Sri Lanka, July 24-28, 2005*

1. Applications of lamotrigine in clinical psychiatry (plenary lecture).
2. Treatment issues in bipolar disorder (postconference workshop).

*18th Annual Conference of the Indian Psychiatric Society (West Bengal), Aug 14-15, 2005, Calcutta*

1. Cognitive behavior therapy (pre-conference workshop)
2. SSRIs in Pediatric Depression: Pros and Cons (guest lecture).

*15th Annual Conference of the Indian Psychiatric Society (Orissa), Sept 25, 2005, Rourkela*

1. Current trends in therapeutics with mood stabilizers in psychiatry (guest lecture).

*27th Annual Conference of the Indian Psychiatric Society (Central Zone), Oct 21-22, 2005, Varanasi*

1. Women and mental health: psychopharmacological issues (guest lecture).

*Annual Conference of the Indian Psychiatric Society (Biological Psychiatry Subsection, Oct 23, 2005, Varanasi*

1. Biological psychiatry: the best of 2005 (guest lecture).

*6th Annual National Conference of the Indian Association of Private Psychiatry, Nov 12, 2005, Calcutta*

Causes of therapeutic nonadherence (guest lecture).

*2nd International Neuropsychiatric Association - India Symposium, Nov 19-20, 2005, Madras*

1. Neuropsychopharmacology: an informed approach to drug development and clinical practice (guest lecture).
2. ECT: Frontiers of research in modern neuropsychiatry (Dr A Venkoba Rao Memorial Oration Award).
3. Cultural issues in psychopharmacology (guest lecture).

*1st International Conference of SAARC Psychiatric Federation, Agra, Dec 2-4, 2005*

1. The safety and efficacy of benzodiazepine-modified ECT (guest lecture).

*15th Annual Conference of the Delhi Psychiatric Society, Corbett Park, Dec 9-11, 2005*

1. Current and future strategies for the enhancement of cognition in neuropsychiatry (guest lecture).

*23rd Annual Meeting of the Indian Academy of Neurosciences, Dec 11-14, 2005, Bangalore*

1. Andrade C, Thyagarajan S, Nandakumar N, Rao NSK, Singh NM, Bhakta SG, Chandra JS. Brief treatment with celecoxib but not indomethacin attenuates retrograde amnesia induced by electroconvulsive shocks in rats.
2. Nandakumar N, Sudha S, Andrade C, Chandra JS, Singh NM, Bhakta SG, Venkataraman BV. Steroid mechanisms in ECT-induced retrograde amnesia: an exploratory study in the laboratory rat.

*58th Annual National Conference of the Indian Psychiatric Society, Bombay, Jan 5-8, 2006*

1. Andrade C, Thyagarajan S. ECT: What's in a name?
2. Andrade C, Thyagarajan S, Nandakumar N, Rao NSK, Chandra JS. Brief treatment with celecoxib but not indomethacin attenuates retrograde amnesia induced by electroconvulsive shocks in rats.
3. Bhakta SG, Suresh Kumar PN, Singh NM, Andrade C. Melatonin in schizophrenic patients with insomnia: a double-blind, placebo-controlled study.
4. Bhakta S, Singh NM, Andrade C. Systematic enhancement of functioning as a therapeutic technique in conversion disorder.
5. Bhakta S, Singh NM, Andrade C. Simultaneous true and pseudoseizures.
6. Margoob MA, Andrade C. Efficacy of ECT in chronic, treatment-refractory posttraumatic stress disorder.

*2nd International Symposium on Drug Discovery and Process Research, Belgaum, Feb 10-12, 2006*

1. Preclinical and clinical investigation of herbal psychopharmacological preparations (guest lecture).

*7th National CME on Military Psychiatry, AFMC, Poona, Jun 24-25, 2006*

1. Recent advances in psychiatry and the neurosciences. Keynote Address.
- Indo-Singapore Postgraduate Training Program, South Asian Forum on Mental Health and Psychiatry, Singapore, June 24-25, 2006*
1. Recent research in ECT. CME lecture.

*W.H.O. sponsored National Snakebite Conference, Indian Society of Toxicology, Cochin, July 24-25, 2006*

1. Statistical methods for clinical trial use and design. Guest lectures.

*6th International Congress of Neuropsychiatry, International Neuropsychiatric Association, Sydney, Sept 10-14, 2006*

1. Benzodiazepine-modified ECT: safety and efficacy (invited lecture).
2. Steroid mechanisms may contribute to ECT-induced retrograde amnesia.

*ECT CME, Bombay Psychiatric Society, Bombay, Sept 17, 2006*

1. Basic terminology and dosimetric calculations in ECT.
2. The mechanism of action and neurobiology of ECT.

*Annual Conference of the Indian Psychiatric Society (West Zone), Rajkot, Oct 6-8, 2006*

1. MMSE: Practical administration (CME lecture).

*International Conference on Schizophrenia, Schizophrenia Research Foundation, Madras, Oct 13-15, 2006*

1. Future directions in drug development for schizophrenia.

*7th Annual National Conference of the IAPP, Jaipur, November 10-12, 2006*

1. Andrade C, Sudha S. An investigation of glucocorticoid mechanisms in an explanatory model of ECT-induced retrograde amnesia.

2. Andrade C, Singh NM. Possible involvement of inflammatory and glutamatergic mechanisms in ECT-induced retrograde amnesia.

3. Andrade C, Suresh Kumar PN. Use of melatonin in the treatment of insomnia in schizophrenia: a double-blind, placebo-controlled study.

*International Conference on Psychiatry, South Asian Forum on Mental Health and Psychiatry, UK Chapter, Dubai, December 2-6, 2006*

Andrade C. Future directions in the treatment of schizophrenia (invited plenary lecture).

*3rd NBRC International Conference, Delhi, Dec 13-15, 2006*

1. Singh NM, Thyagarajan S, Andrade C, Kharawala S, Nandakumar N, Rao NSK, Chandra JS. Involvement of cyclooxygenase-2 in retrograde amnesia induced by electroconvulsive shock: a study in laboratory rats.

*59th Annual National Conference of the Indian Psychiatric Society, Madras, Jan 4-7, 2007*

1. Andrade C. ECT for major depression: possible role for augmentation with mifepristone.

2. Andrade C, Nagaraja N, Sudha S, Singh NM, Chandra JS, Venkataraman BV.

Glucocorticoid mechanisms may contribute to ECT-induced retrograde amnesia

3. Andrade C, Thyagarajan S, Singh NM, Nandakumar N, Rao NSK, Chandra JS. Cyclooxygenase and glutamatergic mechanisms in ECT-induced retrograde amnesia

*US-India Neuropsychiatric Institute Workshop: New Science of the Mind, Cochin, Jan 9-12, 2007*

1. Mind and brain (invited lecture)

2. Neuroscience and psychiatry (invited lecture)

3. Developments in biological psychiatry (invited lecture)

4. Physics and the mind (invited lecture)

*First International Meeting of the Section on Psychiatry in Developing Countries, Lahore, Feb 19, 2007*

Andrade C. Electrical aspects of ECT. Postconference workshop.

*Mid-Term CME, Indian Psychiatric Society (East Zone), Rajgir, Apr 29, 2007.*

Clobazam in anxiety disorders (invited lecture).

*27th Annual Conference of the Indian Psychiatric Society (Andhra Pradesh), Anantapur, Jul 14-15, 2007*

Antipsychotic drug interactions: theoretical and practical considerations. (Dr DS Raju Memorial Oration).

*3rd Annual National Conference, Indian Association of Biological Psychiatry, Goa, Aug 2, 2007*

Glucocorticoid and glutamatergic mechanisms of ECT-induced retrograde amnesia.

*First World Congress of Asian Psychiatry, Goa, Aug 2-6, 2007*

Workshop on statistics and research methodology.

*23rd Annual Conference, Indian Psychiatric Society (Kerala), Trivandrum, Sept 02, 2007*

Biological basis of psychotherapy (invited lecture).

*Annual Conference, Indian Psychiatric Society (Madurai), Madurai, October 14, 2007*

Current status of psychopharmacology (keynote address).

*Annual Conference, Indian Psychiatric Society (North Zone), Jalandhar, Oct 27-28, 2007*

The practice of ECT (invited lecture)

Drug treatment in medical subpopulations (invited lecture)

*8th Annual National Conference of the Indian Association of Private Psychiatry, Bhuvaneshwar, Nov 16-18, 2007*

1. Andrade C, Thyagarajan S. ECT: What's in a name?

2. Andrade C. Health: the science behind the advice (invited lecture).

*Australasian Society for Psychiatric Research 2007, Melbourne, Nov 29-30, 2007*

Pigot M, Andrade C, Loo C. Cholinergic function and ECT-related memory dysfunction.

*60th Annual National Conference of the Indian Psychiatric Society, Calcutta, Jan 3-6, 2008*

Andrade C. Molecular mechanisms underlying the retrograde amnesic deficits induced by ECT. DLN Murthy Rao Oration.

*3rd Biennial Conference of the International Society of Bipolar Disorders, New Delhi and Agra, Jan 27-30, 2008*

Andrade C. Clinical trials in developing countries (invited lecture, plenary).

Andrade C. Maintenance ECT in bipolar disorder (invited lecture, plenary).

Andrade C, Perry R. Real world usage of valproate in bipolar disorder: results of a cross-sectional survey of European psychiatrists (poster presentation).

*18th Annual Conference of the Indian Psychiatric Society (Assam) Mid-term CME, Guwahati, May 18, 2008)*

CME lecture: Changing trends in the management of depression.

*8th National CME on Military Psychiatry, AFMC, Poona, June 21, 2008*

Keynote address: Frontiers of neuroscience: preserving the mind.

*Essential Psychiatry for the Neurologist, Neurosciences India Group, Madras, September 13-14, 2008*

1. Introduction to diagnosis in psychiatry.

2. Mood disorders.

3. Obsessive-compulsive disorder.

4. Drugs vs counselling.

5. Essential neuropsychopharmacology.
6. Electroconvulsive therapy.

*24th Annual Conference of the Indian Psychiatric Society, Kollam, Kerala, Sept 26-28, 2008*  
Psychopharmacology of stress (invited lecture).

*Annual National Conference of the Indian Association of Biological Psychiatry, Varanasi, Oct 4-5, 2008*  
Dopamine receptors (invited lecture).

*National Seminar on the Neurobiology of Depression, National Centre for Brain Sciences, Bangalore, Oct 12, 2008*  
Neuroplasticity: Implications for clinicians (invited lecture)

*3rd International Conference on Schizophrenia, SCARF, Madras, Oct 17-19, 2008*  
Somatotherapy of schizophrenia: the road ahead (invited lecture).

*Biological Psychiatry Symposium, Indian Psychiatric Society, NIMHANS, Bangalore, Nov 01, 2008*  
Neuroplasticity hypothesis of antidepressant action (invited lecture).

*61st Annual National Conference of the Indian Psychiatric Society, Agra, Jan 8-11, 2009*  
Research methodology (workshop).

*2nd Annual National Conference of the Indian Society of Clinical Research, Bombay, Jan 11-13, 2009*  
How to write a good paper (invited lecture).

*Mid-term CME, Indian Psychiatric Society (Kerala), Trivandrum, April 5, 2009*  
Workshop: Teratogenicity of psychotropic drugs.

*Indian Psychiatric Society (South Zone) CME, Dharwad, April 18-19, 2009*  
Workshop: Psychopharmacology in medical disorders.

*Indian Association of Private Psychiatry, Mid-term CME, Baroda, April 25-26, 2009*  
Treatment of schizophrenia: choosing a drug.

*Workshop on Rating Scales in Psychiatry, JN Medical College, Belgaum, May 24, 2009*

1. General principles underlying the use of rating scales in psychiatry.
2. Rating scales in psychiatry, Part 1
3. Rating scales in psychiatry, Part 2
4. The Mini-Mental State Examination

*Summit Psychiatry 2009: South Asian Psychiatric Forum on Mental Health and Psychiatry, Dubai, June 10, 2009*  
Management of benzodiazepine dependence (invited lecture)

*Postgraduate CME, Indian Psychiatric Society (Kerala), Trivandrum, June 27-28, 2009*  
Two-day workshop on statistics and research methodology.

*Mid-Term CME, Indian Psychiatric Society (East Zone), Guwahati, July 10-12, 2009*  
Workshop: The essentials of research methodology.

*11th Johor Mental Health Convention, Johor Bahru, Malaysia, July 15-17, 2009*

1. One-day workshop on statistics and research methodology.
2. Neuroplasticity as a mechanism of antidepressant action: what every clinician should know.
3. Future directions in the treatment of schizophrenia.
4. Glucocorticoid and glutamatergic mechanisms underlying retrograde amnesic deficits with ECT.

*Postgraduate CME, Indian Psychiatric Society, East Zone, Calcutta, August 20-22, 2009*

1. Glutamate in psychiatry.
2. How to read a journal article.

*Annual Congress of the Indian Academy of Neurology, Cochin, Sept 10-12, 2009*

Inaugural lecture, pre-congress workshop: The use of neurological drugs in the management of behavioral dysfunction: a status update.

*Annual Conference of the Indian Psychiatric Society, Punjab and Chandigarh, Sept 27, 2009*

Behavior therapy for OCD (plenary lecture)  
Psychopharmacology in the medically ill (plenary lecture).

*42nd Annual Conference of the Indian Psychiatric Society (South Zone), Trivandrum, Oct 2-4, 2009*

The future of the pharmacotherapy of schizophrenia (plenary lecture).

*40th Annual Conference of the Indian Psychiatric Society (West Zone), Nanded, Oct 9-11, 2009*

Psychotropics in pregnancy and lactation (plenary lecture)

*AMRICON 2009: National Conference on Recent Advances in Medical Specialities. Oct 10-11, 2009, Calcutta*

Invited lecture: Recent advances in the treatment of depression.

*Annual Conference of the Southern Regional Indian Pharmacological Society, Nov 12-14, 2009, Coimbatore*

Cognitive Reserve: Update on Psychopharmacology (guest lecture)

*Psychiatry Update 2009, Nov 28-29, Manipal*

Does ECT cause brain damage? (guest lecture)

*5th Annual National Conference of the Indian Association for Geriatric Mental Health, Trichur, Dec 05-06, 2009*

Primary prevention of dementia: a story about cognitive reserve (plenary lecturer)

*48th American College of Neuropsychopharmacology (ACNP) Annual Meeting, Florida, Dec 6-10, 2009*

Bhakta S, Andrade C, Shah N. The safety and efficacy of benzodiazepine-modified ECT as a special form of unmodified ECT.

*3rd Annual National Conference of the Indian Society of Clinical Research, Bangalore, Jan 8-9, 2010*

Publication hurdles and scientific tips on how to overcome them.

*62nd Annual National Conference of the Indian Psychiatric Society, Jaipur, Jan 17-20, 2010*

1. Awareness under anesthesia during ECT (symposium lecture).
2. Addressing the NMDA receptor in the management of depression (symposium lecture).

*Mid-term CME, Indian Association of Biological Psychiatry, Delhi, Apr 17, 2010*

Pros and cons of unmodified ECT in the light of the very recent evidence.

*PG CME, Indian Psychiatric Society (Kerala), Calicut, May 9, 2010*

Rating scales in psychiatry: One day workshop.

*12th Congress of ASEAN Federation for Psychiatry and Mental Health and the 15th Malaysian Conference on Psychological Medicine, Kuala Lumpur, Malaysia, June 23-26, 2010.*

1. Preconference workshop: Psychopharmacology in the medically ill.
2. Plenary lecture: Antipsychotic polypharmacy: a practical perspective.
3. Plenary lecture: Does ECT cause brain damage?

*8th Perak Mental Health Convention, Perak, Malaysia, Oct 8-10, 2010.*

1. Pre-conference workshop: Drug interactions in psychiatry
2. Pre-conference workshop: Electrical aspects of ECT; practical aspects of ECT technique.
3. Plenary lecture: Innovative treatments for refractory depression.

*Annual National Conference of the Indian Psychiatric Society, North Zone, Ludhiana, Oct 23, 2010*

Antipsychotic polypharmacy (plenary lecture)

*Mid-term CME, Indian Psychiatric Society (Gujarat), Surat, Mar 27, 2011*

Antipsychotic polypharmacy: theory and practice.

*CME: Recent Advances in Bipolar Affective Disorder, KEM Hospital, Bombay, Mar 29, 2011*

Thinking about bipolar disorder in the light of recent research.

*42nd Annual Conference of the Indian Psychiatric Society (West Zone), Nagpur, Jun 4-5, 2011.*

Andrade C. Recent advances in psychopharmacology (plenary lecture)

*Joint State Conference of the ASCIPS and ASCIAPP 2011, Berhampore, Sept 10-11, 2011*

Andrade C. Workshop: Antidepressants in Pregnancy

*8th International Congress of the International Neuropsychiatry Association, Madras, Sept 16-18, 2011*

Andrade C. Pharmacological management of neuropsychiatric disorders: state of the art (plenary lecture): Innovative applications of ECT and tDCS in neuropsychiatry.

*12th Annual National Conference of the Indian Association of Private Psychiatry, Trivandrum, Nov 11-13, 2011*

Andrade C. Challenges in pharmacotherapy including polypharmacy and adherence. Plenary lecture.

*Neurology Update 2011, Association of Physicians of Ahmedabad, Nov 19-20, 2011*

1. Andrade C. Dementia and behavioral problems (plenary lecture for neurologists).
2. Andrade C. Case-based discussion on dementia (plenary lecture for physicians).

*21st Annual Conference of the Delhi Psychiatric Society, New Delhi, Nov 27, 2011*

Andrade C. Plenary workshop: Antidepressants in pregnancy.

*7th Annual National Conference of the Indian Association of Biological Psychiatry, Jodhpur, Dec 3-4, 2011*

Andrade C. Position statement and guideline on the practice of unmodified ECT. Plenary lecture.

*44th Annual National Conference of the Indian Pharmacological Society, Manipal, Dec 19-21, 2011*

Andrade C. Neuronal plasticity as a mechanism of antidepressant response. Plenary lecture.

*64th Annual National Conference of the Indian Psychiatric Society, Cochin, Jan 19-22, 2012*

Andrade C. Position statement and guideline on the practice of unmodified ECT. Plenary lecture.

*1st Annual National Conference 2012, Sunshine Wellness Centre, Bombay, June 03, 2012.*

Andrade C. Drug compliance in psychiatry.

*17th Malaysian Conference on Psychological Medicine, Kuala Lumpur, June 14-15, 2012*

1. Andrade C. ECT in present day psychiatry: Addressing the barriers. Pre-conference workshop on ECT.
  2. Andrade C. ECT: Practical issues. Pre-conference workshop on ECT.
  3. Andrade C. Keynote address: The importance of pharmacology in psychopharmacology.
- Mid-term Conference, Indian Association of Private Psychiatry (Karnataka), June 23-24, 2012, Bangalore.*

Andrade, C. Recent advances in psychiatric therapeutics.
